Page No Longer Available as of 11/23/2026

The Massachusetts Hospitals Infection Preventionists (IPs) contact list page you are looking for has been retired. The Infection Preventionists (IPs) contact information by facility now exists in MAVEN.

Please log into MAVEN and use the search feature to find the IP Communication Event for the facility you need to contact. For details on how to search for an IP Facility's Communication Event please review the Guidance Document: **Infection Preventionist Communication Events**

How to use the MAVEN search feature.

Search Tip: In the Last Name field, type the first 3 letters of the facility name plus an asterisk (*). Example: If you are searching for Atrius Health Infection Control Program, type Atr* in the Last Name field

If you have questions or concerns, please feel free to the MAVEN Help Desk at mavenhelp@mass.gov
